

SPEND MORE TIME READING!

We want **YOU** to take part in Spokane Public Library's Summer Reading Program.

Here's how it works: Check a box  below each time you read for 20 minutes. When all your boxes are checked (and you've read 15 hours) turn this card in at your favorite branch of Spokane Public Library (by the end of August) and we'll let you choose a book to keep from our Summer Reading giveaway book supply.

P.S. This is where we say that the Friends of the Library are so super-duper because they paid for all the Summer Reading giveaway books. We are so grateful for our Friends!

start here.

Books, magazines, comic books,

that's 5 hours!
keep reading

graphic novels, and audiobooks all

that's 10 hours!
You're more than halfway done!

count toward your reading goal!

DONE!
