

SPEND MORE TIME READING!

We want YOU to take part in Spokane Public Library's Summer Reading Program for adults! It's a great way to remember to read this summer and you could even win a prize!

Win? Yes. The Spokane Public Library Foundation is providing prizes and we'll draw the winner's names at the end of the summer. One of them could be you. Get reading!

Here's how it works: Check a box below each time you read for 20 minutes. When all your boxes are checked (and you've read 15 hours) turn this card in at your favorite branch of Spokane Public Library (by the end of August). Make sure you include your name, email and phone so you'll be in the drawing. We'll also add you to our newsletter list so you'll be aware of other cool stuff happening at the libraries.
